

Professional-Grade for Irrigational Professionals

Munro StartBox Pump Start Relay

- **BUILT TOUGH**
UL-50 Type 3R listed enclosure available in Stainless Steel or Powder Coated Steel to last longer than plastic boxes.
- **BEST VALUE**
Whether stainless steel or powder-coated steel, compare Munro boxes to the common plastic pump start relay. You'll be pleasantly surprised. It's like a free upgrade!
- **EASY TO INSTALL AND MAINTAIN**
Color coded wire leads, easy to follow instructions and high quality components for quick set up and low maintenance.
- **VERSATILE**
Works with any residential turf irrigation pump up to 5hp, available in 24v, 110v, and 220v.
