

FSA206S11

FSA Sewage Pumps 1/3hp - 3/4hp

The Munro FSA pumps provide years of trouble-free performance in residential and light commercial sewage and effluent applications. The very compact design is built to meet your most demanding requirements

- **Stainless Steel and Thermoplastic Casing** - Lightweight with superior corrosion resistance
- **Ceramic Seal** - Allows for continuous operation
- **Vortex Impeller** - Provides superior solids handling

Common Applications

- **Recommended for:** Sewage
- **Other Uses:** Effluent

Advantages

- **Extended Duty Design** - Designed for on-demand intermittent use, this sewage pump will provide years of service, extending the life and limiting service and replacements
- **Quiet and Long Lasting** - With a stainless steel shaft and dual ball bearings, this pump offers low corrosion components for long-term use
- **Premium Performance** - Heavy-duty construction provides trouble-free performance, even in demanding situations

Specifications

- **HP:** 3/4
- **Discharge:** 2in
- **Solid Pass.:** 1.4in
- **Weight:** 13.2 lbs.
- **Volts:** 110
- **Phase:** 1
- **Amps:** 8
- **Cord Length:** 20
