

MPSR110AYF

StartBox - On Demand Controls

- Grab your hose and water your plants or wash down the driveway, the pump will automatically run on your demand for water. No need for a pressure tank! The on demand controls utilize flow and pressure to detect water demand.

Features and Benefits

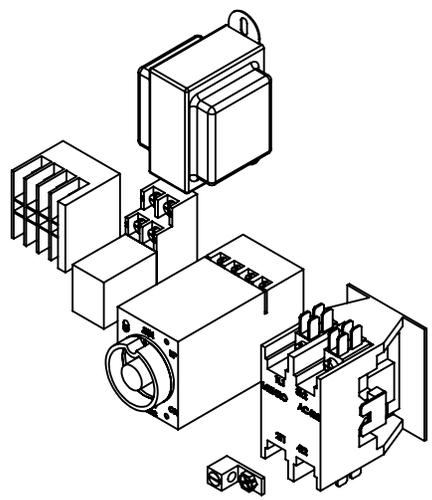

- Start and stop up to a 2HP pump
- Connect the pressure and flow switch to any pump discharge and the Pressure Start Control Box will turn the pump on and off
- Low pressure protection
- Does not require a pressure tank
- Choose from 110 volt model or 220 volt model
- Low 24 volts to external switches

Construction

- UL listed components
- NEMA 3R UL listed enclosure - approved for outdoor use, available in stainless steel or powder coated blue or grey
- Quick connect terminals

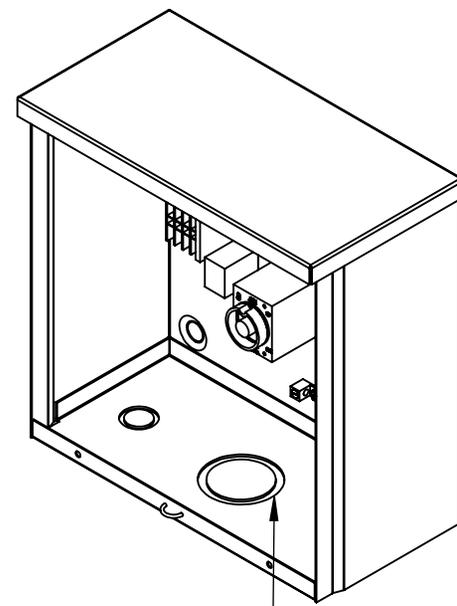

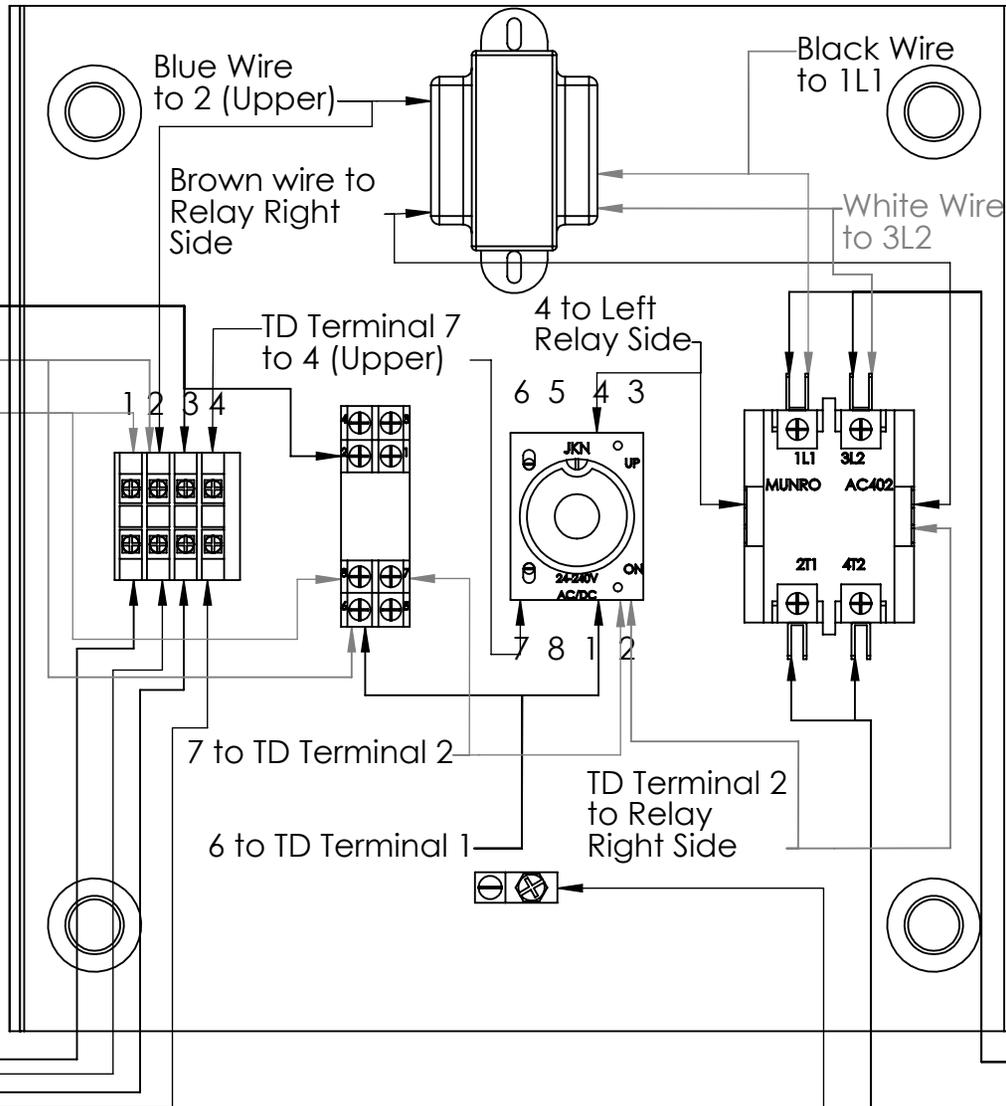

Specifications

- Ship Weight: 20lbs
- EnclosureSize: 12x12x6
- Pressure Range: 20-90 lb
- Line Voltage: 110
- Pump Range: 0.75-2 HP

2 to 3 (Upper)
 6 to 2 (Upper)
 8 to 1 (Upper)

1 (Lower) to Pressure Switch
 2 (Lower) to Pressure Switch
 3 (Lower) to Flow Switch
 4 (Lower) to Flow Switch
