

Avoid the Doghouse!

PROTECT YOUR PUMP

PUT YOUR PUMP IN A MUNRO UNIVERSAL PRO ENCLOSURE

There's a better way to house a pump. Durable, adaptable, and easy to assemble, the Universal PRO Enclosure is the choice of professionals.

- Accommodates pumps up to 3 horsepower.
- Rot free, maintenance-free and vandal resistant.
- Looks great on both residential and commercial sites.
- Sets up in minutes: eliminating hammers, nails, superglue and shingles.

1 ENCLOSURE
